FINAL REPORTS ON METHODIST WORK ARE PRESENTED

Urge Rev. Crist Be Chosen To Lead Church Again; Honor Rev. Norton

The Fourth Quarterly Conference of the Methodist Episcopal church, which took place last night at the Methodist Episcopal church under the leadership of Dr. W. L. Y. Davis, District Superintendent of the Pasadena District, marked the closing of the most enthusiastic and successful year in the history of the church in Glendale.

During the businesss meeting final reports were read from the various branches of church work. The Woman's Home Missionary society under the able leadership of Mrs. B. F. Geiger has more than doubled the amount of offerings of last year. The Ladies' Aid society under Mrs. Charles Starkey has raised $2000 during the year and has made 2300 calls.

Net Gain of 200 Members

The report of C. M. Crist, the pastor, showed a net gain of 200 in membership, making a total of 964 members and the finances show that the various church improvements are paid for as well as all the current expenses of the year.

During the meeting Rev. C. R. Norton, founder of the local church, was unanimously voted the honorary title of pastor emeritus. This honor has been well earned by Dr. Norton, who is still an active and influential member of the church.

Robert Kenneth Crist, the 19-year-old son of the pastor, was voted a local pastor's license with great enthusiasm and it was unanimously voted that the bishop be requested to reappoint Rev. Clyde Monroe Crist to his post in Glendale. The same action was taken regarding Dr. Davis, as Superintendent of the Pasadena District.

Newlyweds Welcome

Carl C. Seitter and his bride were given quite an ovation when they appeared at the meeting. Mr. Seitter is to be city superintendent of the Daily Vacation Bible School in Glendale this summer.

Rev. Crist states that it is hard to estimate the importance of last night's meeting as it marks a milestone in the progress of his church and bids fair to usher in a year of work in which the opportunities are almost boundless.

C. C. Cooper, President Of Local Chamber Of Commerce, Urges All Citizens To Aid In Making C. E. Convention Great Success

By C. C. COOPER
President Glendale Chamber of Commerce

Starting Saturday morning Glendale will act as host to the Thirty-fourth Annual Convention of the State Christian Endeavor Union.

This is the first time in the history of our community that we have undertaken a proposition of this magnitude. It will be a red letter day for our city. It means that we have been recognized throughout the length and the breadth of the state as a city capable of handling one of the largest conventions of the country. It means that we will be given an unparalelled opportunity of advertising the beauties and advantages of Glendale as a city of residence and commercial advantage.

However, in order to reap the fruits of this opportunity it will be necessary for everyone to put his shoulder to the wheel and make this convention a great success.

Those who have had charge of this undertaking have done wonders in carrying out the plans for entertaining our visitors; but it should not be left to them alone.

Every resident of Glendale, no matter whether directly interested in the Christian Endeavor organization or not, should see to it that our visitors are properly welcomed and entertained. Five thousand visitors, at least, will be in our midst for five days and the impression they carry away with them will be of enormous value to our future growth.

As president of the Glendale Chamber of Commerce I desire to say that our organization is doing everything in its power to assist the general committee.

WARREN, OF

WARREN & SCHIMMELFENG

217 North Brand

WE HAVE REACHED THE STAGE where words fail to express the beauty and possibilities that certain place on North Brand offers for a permanent home. The spacious grounds of over two acres are covered with every known variety of fruit, besides a gorgeous assortment of valuable tropical foliage and shrubs. There is nothing like this place anywhere in Glendale, and few its equal in Hollywood.

The spacious eight room house is all that could be expected "and then some." Servant quarters, garage, poultry houses and barn go to make for one of the most complete show places in Southern California, and the owner, who is in New York, has certainly misjudged values here when he instructs us to sell for $20,000, some terms. This place is going to sell and it will not take long to move it at this price.

Shown by appointment only at reasonable hours. See Mr. Hart or Mr. Ells at 120 North Brand.

GLENDALE READY TO GIVE GREETINGS TO DELEGATES

Citizens Respond To Plea For Sleeping Quarters; Choir Meets Tonight

With all details for the greeting of the delegates to the big Christian Endeavor convention, who will arrive Saturday morning, practically completed, Glendale is now ready for the opening of its first large convention.

The one big obstacle that for a time threatened to dim the success of this undertaking—the difficulty in securing sleeping quarters for the influx of visitors—has been overcome through the untiring efforts of the entertainment committee, together with the loyal response of the citizens of Glendale, who have unreservedly thrown open the doors of their homes to the C. E. delegates.

Miss Ethel Preston, who has had charge of this work, reported today that there will be accommodations for every single visitor.

Miss Preston takes this opportunity to thank the residents of the city for their loyal response to the request for rooms.

The finishing touches on the big C. E. auditorium at Harvard and Orange avenues have been completed, and tonight the final dress rehearsal of the monster choir of over 150 trained voices will take place under the direction of Mrs. Fannie Marple Retts.

Hold Dress Rehearsal

Last night a crowd of forty young people came out from the Temple Baptist church of Los Angeles and held a dress rehearsal of one of the many missionary pageants that are to be held nightly in the auditorium. This particular pageant is to be given under the direction of Mrs. Clara Walberg, who has given particular study to missionary work.

A telegram was received this morning by Chairman Howard Brown from Arnold Anderson, director of transportation, stating that a special train from Oakland would leave tomorrow with a capacity crowd of delegates and friends from the northern section of the state. While the greater portion of the delegates are not expected before Saturday, advance information received at local headquarters is to the effect that many visitors will arrive tomorrow.

Locals And Personals

Mrs. Albert R. Townsend of 807 North Brand boulevard left Wednesday for Balboa Beach, accompanied by her son, Perry. They expect to spend several weeks there as the guests of Mrs. Lester Schofield.

Mr. and Mrs. E. R. Naudain of 323 East Lomita avenue will attend the matrons' and partons' night celebration to be given by the Sawtelle chapter, Order of the Eastern Star. Saturday night Pacific chapter, of Los Angeles, will entertain the matrons and patrons.

Miss Regina Townsend of 807 North Brand boulevard entertained with a dancing party in honor of her house guest Miss Eva Samples of Terminal Island, Tuesday night, June 21. Her guests were all residents of Los Angeles, the young men being students of Loyola college. Miss Townsend left Wednesday for San Pedro, where she will be the guest of Miss Samples for several days.

Flat rate railway fares for all immigrants seeking homes in Canada is the new idea advocated by Thomas E. Sedgwick of London, specialist in imperial migration.

Arnold Anderson of Oakland, Cal, who has charge of transportation of C. E. delegates.

In no small degree the success of Christian Endeavor convention is dependent upon Mr. Arnold Anderson of Oakland, who has attended to the many details of transporting the delegates from the various parts of the state to Glendale. Special trains, reduced rates, and eating accommodations while en route have all been worked out under the able direction of Mr. Anderson. Mr. Anderson is also president of the Alameda County Christian Endeavor Union.

The happy group left Glendale on the bus, and arrived at Santa Monica in time to enjoy a mid-day picnic luncheon on the sand.

In the afternoon the young people spent their time at the crystal amusement pier at Ocean Park, taking in everything of interest on the pike. A delicious picnic dinner was served on the pleasure pier at 6 o'clock.

Mrs. E. C. Tyler, the teacher of the class, was assisted in the chaperoning by Mrs. R. F. Kitterman and Mrs. F. H. Roberts. Those who took part in the festivities were Clara and Stella Roberts, Margaret Allewelt, Catherine Kitterman, Genevieve Noyes, Romelda Schlotshauer and Aileen Strong.

Mr. and Mrs. Miller At Indiana Society

Mr. and Mrs. Homer B. Miller of 434 West Burchett street were among the Glendale people who enjoyed the regular monthly meeting of the Indiana State society at the Federated Brotherhood hall, Los Angeles, on Tuesday evening of this week. After the regular session, in which Mr. Miller was officially admitted to membership in the organization, a musical program, dancing and a general social time consisted of the remaining entertainment of the evening.

GROUP OF 2000 C. E. MEMBERS UNABLE TO COME HERE

Gets Invitation But Forced To Send Regrets; Sends Convention Greetings

In response to a letter sent by Chairman Howard L. Brown, inviting the attendance of the members of the San Quentin union who are at present residing in that well known "hostelry" to be present at the Christian Endeavor convention in Glendale, a communication was received today from the president of the San Quentin Christian Endeavor society, thanking the local chairman, and regretting that "owing to present conditions and attendance upon important work it would be unwise to attempt to come." The letter of regret is as follows:

"San Quentin, Cal., June 18, 1921.

"Mr. Howard L. Brown, Chairman Glendale Convention Committee, 130 South Brand Boulevard, Glendale, Cal.: My Dear Mr. Brown—We have received the Christian Endeavor convention invitation dated May 25 and read it carefully. We note that you suggest that we send 4000 delegates. We regret very much our inability to comply with your suggestion, but assure you that there are approximately 2000 men here who would be more than peased to attend the convention. Under prevailing conditions, however, we do not believe it would be wise for any of us to come. We are, just now, very busy taking care of important work.

"Seriously, the greetings so graciously sent us by the committee gratified us very deeply indeed. You made us feel your welcome in words as gracious as they were welcome. Permit us to extend our greetings to the state convention if it will be gracious enough to receive them.

"You will ever be in our memory and prayers. Wishing you the same success in Christian Endeavor as we desire for ourselves, we remain,

"Absolutely yours in Christ,

"By President San Quentin Christian Endeavor Society.

"P. S.—Just saw our good brother, Al Dingle, and he will surely be there to represent Marin county, and he is a big hearted man for God. May his richest blessings be with you."

Mr. Brown states that the San Quentin union numbers more than 2000 members, and is now the second largest union in the state. Practically all of these have been converted since their confinement to the penal institution and contains many earnest and enthusiastic workers.

QUOTES RECORDS TO LET PEOPLE KNOW FACTS IN CASE

Dwight W. Stephenson Makes Answer To Statements In 'Better Council' Ad

Editor The Evening News: In a full page advertisement sponsored by the "Glendale Better Council Campaign Committee" in your issue of June 21, 1921, there appeared the following article:

"We oppose the election of Dwight W. Stephenson for many reasons. For instance he quietly introduced and after hundreds of citizens had objected, continued to justify a proposed ordinance which would have extended the cemetery several blocks up one of our finest residence avenues and immediately across the street from school grounds and private homes, notwithstanding the patent fact that there is ample space for expansion in another direction. He tolerates if not encourages nepotism in the public service. Nepotism has a most devitalizing effect upon the efficiency of public service."

As I have stated on several occasions, I am a firm believer in the right of every citizen to criticize the official acts of any public official. I also believe in the right of every citizen to express his or her opinion as to the qualifications of any candidate for public office. One may go so far as to call a candidate unpleasant names if they so desire, provided one stays within the bonds of decency. For myself, I do not believe that calling names gets anyone very far.

Facts Should Be Stated

I further believe that every citizen has the right to state facts relative to the record of any public official or candidate for office; but I do believe that in justice and fair play, facts and not fabrication should be stated. I therefore desire to state the FACTS relative to the proposed cemetery ordinance above referred to.

On May 5, 1921, the ordinance referred to was introduced at a regular meeting of the board under the head of new business, under which head all new ordinances are introduced. Under the rules, this ordinance, like all others, was laid over for one week. The introduction was noted in the minutes of the board and a copy of the minutes published in both our local papers. At the next regular meeting of the board, a protest was made to the adoption of said ordinance by some of our citizens and the board was requested to postpone further action upon the ordinance. At my suggestion, and upon motion of Trustee Lapham action was postponed until May 26, 1921, all trustees present voting aye.

On May 26, 1921, "a protest signed by 766 residents of the southern portion of the city was presented to the board against granting any permit for cemetery purposes in the neighborhood represented by the signers. Those presenting the petition desired that it be presented and filed and that in event of any action being taken in the future as to the revival of a movement to establish a cemetery, as in the case of the ordinance recently withdrawn, the protestants be notified. Petition was ordered filed with the understanding that if the matter is again brought up for the board for consideration, the signers of the petition will be notified through Mrs. Bacon." (Quoted from the official minutes of May 26, 1921).

Reviews Action Of Board

Shortly after the last mentioned action of the board a meeting was held in the southern section of our city and the cemetery question was again brought up for discussion. I was asked to review the action of the board relative to the same, and I stated substantially as above set forth, adding further that so far as I was concerned the matter was at an end and would not be again revived. The gentleman who is secretary of the Glendale Better Council Campaign Committee, as well as others who are now members of said organization were present when I made the statement last above mentioned, so I am forced to believe that the facts were so garbled in the article printed by said organization and above fully set forth, for political purposes only.

I respectfully request all my fellow citizens to compare the record as I have stated it, and if in doubt as to the correctness thereof to examine the official records of the city, with the statement published by the Glendale Better Council Campaign Committee and decide for themselves whether the methods employed by said organization are fair or tend toward better politics.

Yours for fair play,
DWIGHT W. STEPHENSON.

Ex-Service Men's Club
Endorse
STEPHENSON for COUNCIL

This club, composed of ex-service men was formed at the time of the last municipal election in this city for the purpose of obtaining representation on the Board of Trustees. Mr. Dwight W. Stephenson was selected by them as their candidate. The people of Glendale recognizing his ability and the justice of their request, placed him in office with the **LARGEST NUMBER OF VOTES** given to any of the candidates.

During his tenure of office he **HAS PROVED** that the people of Glendale made no mistake. By unanimous vote of his colleagues he was elevated to the position of President of the Board and has presided over their deliberations with dignity and fairness during the most progressive period in our city's history.

The recent **UNFAIR CRITICISMS** of Mr. Stephenson and the **UNWARRANTED AND MALICIOUS ATTACK** on our comrade, Dru Nicoles who is supporting our candidate, emanate from a small, self-centered group, actuated by personal animosity and selfish motives.

Your fairness will return

The Four Horsemen Of The Apocalypse Palace Grand Sunday

ALICE TERRY
Leading Woman in "The Four Horsemen of the Apocalypse," Coming to the Palace Grand.

Metro's gigantic film spectacle, "The Four Horsemen of the Apocalypse," adapted from the widely read novel by Vincente Blasco Ibanez, will be given a special three-day run at the Palace Grand theatre starting Sunday, it was announced today by Robert Jensen, manager of the local playhouse.

"The Four Horsemen" has been classed by eastern critics as "the standard by which all future motion pictures will be judged," while Los Angeles reviewers were unanimous in the opinion that it is the greatest cinema creation. The production bears the distinction of being the only picture to ever be given a lengthy discussion in the columns of the Literary Digest.

The unusual length of the production, combined with the dramatic tensity of the story, making it vital that everyone be seated at the beginning of the picture, has forced Manager Jensen to give but two shows daily during the three-day engagement, with a matinee at 2:30 and one evening performance at 8:15.

The magnitude of this production, which cost more than a million dollars to produce, and which boasts a a cast of 13,000 people, necessitates a slight tilt in the Palace Grand admission prices for "The Four Horsemen," it is announced.

Jesse Smith In Deep Plot Against Banker; Golf Is Cause Of It

Jesse Smith went to Flintridge country club yesterday afternoon and teed off for a little golf practice in the rays of a burning sun.

Seems as though there is a reason for the hot stuff.

C. C. Cooper, president of the Chamber of Commerce, also of the First National bank, challenged Mr. Smith to a foursome in which H. S. Webb would aid and abet the banker in "cleaning house" with the Ford agent.

"I'll show 'em," threatened Mr. Smith last evening as he mopped the perspiration from his brow. "I have arranged to have a champion as my partner in the game scheduled for next week."

Clara Kimball Young At Glendale Theatre

More than the usual crowds yesterday attended the Glendale Theatre for the first local showing of "Hush," Clara Kimball Young's latest photoplay de luxe, gave vent to its appreciation at the finish of the picture by loud applause. It is seldom a moving picture is accorded this honor, and indicates to what extent Miss Young has endeared herself to patrons of the silent drama.

In "Hush" the star has achieved a distinctively triumphant success. Here is a play which gives her the widest possible latitude for the expression of histrionic versatility, and she has made the most of the opportunity afforded her by Sada Cowan's fascinating story. Miss Cowan, who wrote "Hush," will be remembered as the author of "Why Change Your Wife?" etc.

Aside from the unusual interest of the story, there are other points which contribute to make "Hush" the highest form of idealized motion picture entertainment. The lavishness of scenic investiture such as characterizes all of Harry Garson's productions, the excellence of the supporting cast, and the unusually fine photography are added reasons why "Hush" is one of the season's most brilliant photoplays.

This same program, including the usual comedy and news subjects, will be seen again today.

Sam Greene Purchases Interest In Business

Sam Greene, who used to write paragraphs for The Glendale Evening News during the war while he was the secretary of a Los Angeles club, visited in Glendale Tuesday in the interests of the Inglewood Chair Factory. He has purchased an interest in this concern after more than a year's sojourn in Iowa.

Inglewood's population has increased considerably the last year, according to Mr. Greene, who is a great booster for the community in which he lives. He ran the Burbank Review for a time as well as other suburban papers.

Thirty-three sales in eight weeks, aggregating $108,400, is record amount of business which makes A. R. He confidently states that "the many advantages and economic possibilities in Burbank are interesting present day investors in Glendale's neighbor city."

Program Is Changed As Lights Grow Dim

When the light grew dim last night at the Glendale Theatre because a transformer burned out in eastern Glendale, it was impossible to continue with the regular program, but Miss Viola Yorba sang two Spanish songs and little Edna Mae Paull recited two pieces. Added attractions, as it were.

That the amount of the principal of said indebtedness to be incurred therefor is the sum of $26,000.00, and that the maximum rate of interest to be paid on such indebtedness shall be six per cent per annum, payable semi-annually, which rate shall not be exceeded in the issuance of bonds for such indebtedness. Said first proposition of incurring indebtedness shall be designated on the ballots used at said election by the following question, to-wit:

"Shall the City of Glendale incur a bonded debt of $26,000.00 for the purpose of acquiring land and constructing and completing thereon municipal buildings for the purpose of storing materials, supplies, vehicles and equipment owned by the City of Glendale?"

That if the said first proposition for incurring indebtedness so submitted at said election receives the requisite number of votes, to-wit, two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of $26,000.00 shall be issued and sold for the purpose of acquiring, constructing and completing said municipal improvement. Both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness.

Section 3. The second proposition of incurring an indebtedness to be submitted at said election shall be as follows:

Mr. and Mrs. E. Kearns To Reside In Nevada

Mr. and Mrs. Edmund R. Kearns and infant son, who have been residing at 929 North Louise street for the past three months, returned to Glendale this morning from a three days' visit in San Diego. The purpose of their trip to the southern city was to bid farewell to friends and relatives there prior to their leaving California for their prospective home in Nevada.

Mr. and Mrs. Kearns' decision to leave Glendale was just made this week when it was learned that the estate of Mr. Kearns' father, the late ex-Senator Kearns of Utah, was not to be sold; but that the bulk of it, which consists of a 5000-acre ranch in Nevada, had been willed to Mr. Kearns, who is the principal heir. The journey will be made by automobile and is scheduled to start early tomorrow morning. Barring any possible mishap their destination will be reached about the middle of next week.

The future home of Mr. and Mrs. Kearns is one of the largest and most modern stock ranches in the west, and their many local friends wish them unlimited success in their new venture.

Glendale Folk Home From Camping Outing

A group of Glendale people, who have just returned from a very delightful camping trip are Mr. and Mrs. N. P. Sherman of 203 East Chestnut street, Charles Barger and Dr. M. L. Horton. The party traveled through the Santa Cruz mountains, spending some time in the Big Basin, their speedometer registers over 3000 miles for the entire trip. They all returned enthusiastic about the splendid accommodations for campers that they found along the route, gas stoves in the open to cook their trout and almost everything that could be devised for the comfort and entertainment of motor parties.

Mrs. James H. Searles Gives Birthday Party

Mrs. James H. Searles of 452 Pioneer Drive entertained with a party yesterday afternoon in celebration of the seventh birthday anniversary of her son, Jefferson Dudley Searles. The little guests invited to participate in the good time included James Pendleton, Jane Piercey, Sanders Russell, David Hellyer, Frances Dunlop, Eleanor McMillan, Fern Care, Clinton Andree and Jefferson Dudley Searles. Games and music provided diversions for the little folks. During the afternoon refreshments of ice-cream and cake were served.

Mr. and Mrs. Hildreth Entertain Visitors

Mr. and Mrs. A. R. Hildreth of 214 Milford street had as their guests recently Mrs. Hildreth's brother-in-law and sister, Mr. and Mrs. G. S. Cronkhite, of Los Angeles, who have left for the east. Mr. Cronkhite is buyer for a Los Angeles furniture company and is on a buying trip to Grand Rapids, Mich., and other eastern markets.

W. H. Whitfield Has Nephew As His Guest

W. H. Whitfield of 421 Burchett street was the recipient of a pleasant surprise a few days ago when his nephew, Zackie C. Whitfield, arrived in Glendale from his home in Sullivan, Illinois. The newcomer plans to become a permanent resident of this city.

'Hearts Of Youth' Is Palace Grand Feature

Today at the Palace Grand theatre will be presented here for the first time a William Fox picture entitled "Hearts of Youth," based upon Mrs. D. E. N. Southworth's novel "Ishmael" and starring the youthful Harold Goodwin. All of Mrs. Southworth's novels—and she wrote more than sixty—were melodramatic in plot and incident. The Fox photoplay is said to transfer admirably to the screen the strength of the original narrative, in settings that are exceedingly attractive. Young Goodwin has been most favorably received wherever he has appeared in this picture.

Lillian Hall, whose beauty and talent are familiar to film followers, figures as Mr. Goodwin's leading woman. Mildred Webb both wrote the scenario and directed the picture.

A two-reel special comedy, "Scrappily Married," will provide the fun while the music will be equal to the pictures.

Two States To Hold Annual Picnic Reunion

The annual picnic reunions of two more great states will be held Saturday, June 25, in Sycamore Grove Park, Los Angeles. Georgians will give an afternoon picnic with 5 o'clock suppers. Tennesseeans will have an afternoon program and either or both picnic dinners and suppers. The Georgians have invited the Alabamans as guests. Harry T. Burn of the Tennessee state legislature will be the speaker of the day.

Report Brisk Demand For Concert Tickets

That Glendale appreciates the opportunity of attending a high class musical program is amply evidenced by the large advance sale of tickets for the big pre-convention concert tomorrow night at the Christian Endeavor auditorium. Reports from headquarters are to the effect that the reserved seats are being rapidly disposed of and that a capacity crowd is expected.

It is due entirely to the enterprise of the finance committee and its energetic chairman, A. L. Baird, that Glendalians will be able to hear this big double bill at popular prices. Never before have either the Zoellners or the Orpheus club performed where concert admissions have not been charged.

The program is as follows:

Part I

"Up Sailor Boy," Daniel Protheroe; "Castila," (a ballad of Spain), Daniel Protheroe; "The Song of the Timber Trail," Stanley R. Avery (William Brandt and club); "Mother o'Mine," Burleigh; Zoellner Quartet, (a) Adagio, Hayden (from Lark Quartet), (b) "Indian War Dance," Skilton, (Cheyenne Origin), (c) "Humming Bird," Bradgon; "The Farewell of Hiawatha," Arthur Foote, (A cantata, Longfellow's Poem, the Baritone sung by J. C. Dill).

Part II

"A Plainsman's Song," Bliss; "I'll Sing Thee Songs of Araby," Clay Woodruff; (a) "The New Patriot," Charles Farwell Edson, (b) "A Chinese Song," Zoellner Quartet, (a) "Andante Cantabile Op. II," Tschaikowski, (b) "Scherzo," Glazounow, (c) "Genius Loci," Thern; "An Ichthyosaurian Monster," H. N. Bartlett; "Annie Laurie," Dudley Buck; "Drontheim" (King Olaf's Christmas), Protheroe.

Plans For Citizens' Building Are Approved

At a meeting of the board of directors of the Citizens' Building corporation at the Chamber of Commerce rooms last night, plans for the building to be erected opposite The Glendale Evening News were approved and bids for the same will be opened July 1. Roy L. Kent company, architects, are putting the finishing touches on the blueprints and preparing the specifications which will include everything a modern office building, clubroom and stores should require, according to a director.

THE GOOD GOVERNMENT LEAGUE is loath to recognize or resent ignorant, bickering criticism of its motives and actions, for it has faith in that the high-minded, fair-minded citizens of Glendale will understand and rightly judge for themselves as to the merits of the League's straight-forward, clearly expressed contentions and expositions.

The League believes in politics, but in clean politics only. It intends to allow no reflection to be cast on its own name through its own actions. Therefore its refusal to be led into belittling arguments. However, there are times when the public interest demands explanations and corrections and the League feels that such a time has now arrived.

To the new organization formed in South Glendale with headquarters on North Brand Boulevard, must be attributed the first dip into questionable methods to attain selfish ends. The malicious attack by this small group of South Glendale malcontents on Messrs. Stephenson and Lapham is strangely inconsistent when it is understood that these same people manifested no scruples as to supporting these very same candidates, who they now seek to besmirch, if the League would but accept a certain candidate of their choice at the expense of one the League had already endorsed. This the League refused to do, and it now considers itself well justified.

The League wishes to express its confidence in that the great majority of South Glendale's citizens are far-sighted and fair-minded and will not give their support to a "knocker's" syndicate.

It is to be regretted that such citizens as Dru Nicoles, W. R. Phelon, A. H. Lapham and H. P. Courtney should be so maligned and their laudable interest in our city's affairs be attributed to their connection as employes with corporations they so creditably serve. The League believes our citizens understand the meaning of this kind of campaigning and it also feels that its candidates will lose nothing thereby, for it believes that these unjust and slanderous attacks will act as **BOOMERANGS.** Prove it by a solid vote for the **G. G. L.** candidates,

Priceless historical documents stored in the Castle of Simancas, near Valladolid, Spain, are placed in peril, due to the neglect of government officials to keep the building in proper repair. Thirty-three million documents, comprising the archives of Spain, many of them preserved since the days of Cardinal Ximenez, are in danger.

INCIDENTAL DISCUSSION

"Hiram," said Mrs. Corntossel, "you don't take as much interest in politics as you did last summer."

"Yes, I do," replied her husband, "but the new hired man is such a fine talker I'm afraid to say anything that might start him for fear he'll demand the salary of a lecturer."

When Youth and Inexperience start out to reform the world they are always shocked to discover that the world doesn't want their kind of reform, but Age and Experience, bent on the same mission, try to conceal the fact that they are attempting a reform and by appealing to reason or prejudice sometimes accomplishes that which they seek.

Is it not a fact that the president of your organization is the "wire chief" of the local telephone trust?

Is it not a fact that your vice president is the manager of the local gas monopoly?

Is it not a fact that your financial secretary is the local outside superintendent of the gas trust?

Do you expect the people to believe that your favorite candidates, Stephenson and Lapham (the railroad employe) will protect the people against oppressive public utility rates?

If so, what will become of your jobs?

Is it not a fact that Stephenson introduced and attempted to justify the grave yard extension ordinance?

Is it not a fact that nepotism exists in our present city government?

WILLIAM C. MABRY

115 East Acacia Avenue; age 49 years; resided in Glendale approximately 9 years; after his graduation from medical college he served his country in four campaigns: Spanish-American War; Chinese Boxer Expedition; Philippine Insurrection and the World-War; throughout many years of army service and in civil life he has continuously occupied administrative and executive positions of great responsibility. During his residence in this city he was city health officer of Tropico during three administrations and was, for three or four years, president of the Tropico Chamber of Commerce; he also served as superintendent of the Play Grounds association and installed the Tropico playgrounds; he has been closely identified with every public improvement, including the paving and lighting of Brand boulevard and the acquisition of the water system; Dr. Mabry is a highly educated man and has had unusual training and experience in the field of sanitation, as this was one of his special duties during the many years he served in the army. His special knowledge and experience in the field of sanitation alone will not only protect the health of the city of Glendale in the event of the improvement of our water supply and the installation of a sewage disposal plant, but will save the taxpayers thousands if not hundreds of thousands of dollars. Dr. Mabry is a specialist and is not engaged in general practice; as a physician he thoroughly believes in medical freedom under the law; that is, he believes in the right of any individual to choose any method of healing he may desire; during the last nineteen months he has been in the service as Acting Assistant Surgeon, U. S. Public Health Service, in ca e of disabled veterans of the World War; all of the disabled veterans under his charge at Thornycroft warmly commend him.
